① Supporting Facts: #3

When CO. S. Watson who is unprofessionally and not trained properly to deal with inmates who is practicing the rights of individuals to practice the religion of their choice. that been established under State and Federal Constitutions.

Officer S. Watson Dump into Conelution and Judgment with out having any Facts for his actions. On August the 10th I Mr. Ali was Fasting the Muslims Ramadon when he conduct his shutdown and took all my given Ramadon food and dump them into a trash bag with dirty property that he took from cell #13 that I could no longer eat or fast that day. I Mr. Ali tried to speak to CO. S. Watson before he could take my food away, that he respond with threats when I'm trying to explain to CO. S. Watson that this is my Ramadon Food given by the Chaplain Hoylt to all inmates who is Fasting Ramadon. During Ramadon all Muslims could fast for 30th days or 40th day due to other problems of sickness or other issues allowing 10 days to recover. On August 13, 2012, at approx 8:30 AM, I Mr. Ali, presided not to fast that Day due to stress and emotional problems with this Facility and its staff and the Food they serve during Ramadon, that lack of Nutrition. In Concord prison the Chaplain allowed every men's to be spared that Day to all inmates who is Fasting. At this Northern Correction Facility inmates who's fasting don't get what is for today for meals.

For example: IF the Facility is feeding inmates Flapjacks, any inmate whos fasting would eat that meal for that Day. Every day we eat small portion of meals, Frozen and uncooked. For that reason, I lost almost Ten pound due to been hungry every nights.

On August 13, 2012, I was ~~confronted~~ ^{attacked} by C.O S. Westover at chaw hall him been disrespectful and loud trying to restrict me my rights to practice a particular aspect of my religion, when he has no rights. I was rushed from the chaw hall to L.T Berwick and L.T. Massy for questions about my religion. I was ask what my name meant in Islam, how many time we should pray. that seem more like an interrogation and I ask them to stop. Then I asked for a Grievance form for further review by the Warden. I was told that I have no ground for Grievance by both L.T.s. After I spok to the warden throw request slips, I was given a Grievance form. direct order from Mr. Reilly

The warden Edward Reilly responded to my issues with no solution, like everytime, due to his lack of understanding of inmates issues and his incompetent Staff. it seems like its inmates v. Staff, whatever inmates have an issue, it seem like a joke to these Staffs. They took me off the Ramadan list even before they spoke to with the chaplain.

I was not allowed to fast anymore.

This Facility has a long history of bad tendency against muslims and their rights.

A United State preliminary injunction was filed in the Eastern District Federal Court On or about August 15th, 2007, reckless and callous indifference to the Federally protected rights on the Constitution. the First Amendment. A muslim inmate house at the Northern Correction Facility about muslims services, due to the pressure, the administration appointed a new paid volunteer staff. Religious Coordinator. Mrs. Dana Hoyt. And she allowed Muslims worship to continue. After ~~for~~ two years, Mrs. Dana Hoyt left for ~~some~~ reason unknown, then Chaplain Hoyt who seems like a brother of Dana Hoyt, he was appointed, despite his incompetency till this day. He did not provide inmates with a healthy ~~happilitative~~ environment. During Ramadon Chaplain Hoyt did not provide nutritionally adequate food that is prepared and served under condition that is should be. Ramadon food in this facility present an immediate danger to the health and well being of the all inmates who consume it, For example; Something called Bird Seeds, that is dry mixed with rocks. and it given to inmates who's fasting Ramadon everyday. Any Muslim inmate can not participate in any other religion such as Christmas party and Christmas package were inmates gets useful, healthy food and other things that this

Facility don't sell in Canteen. The warden and the Chaplain deliberately in difference permitted the Constitutional abusers to continue unchecked till this Day of muslims.

The Northern Correction Facility terminated groups meeting and disallowed the continue of Muslim worship as well for unknown reason.

The Muslims worship should continue to be protected by State and Federal Constitution and assured by all under Color of the law of the land and those in direct violation of said Rights to Freedom of Worship is case in chief.
